

Access to Shizuoka Station

Although the nearest airport to the venue is Mt. Fuji Shizuoka Airport, it is not convenient because the airport is small and there are few flights. Therefore, it is common to use Narita Airport, Tokyo International Airport (Haneda airport), or Chubu Centrair International Airport (Nagoya).

(The following are examples of a simplest way.)

From Narita Airport to Shizuoka station (about 140~170 min)
