

AOTA Travel Grants

In 2010 the Asia and Oceania Thyroid Association (AOTA) will be offering 10 travel grants à 1,000 USD to young scientists up to 40 years of age to facilitate their participation in the ITC in Paris and for presentation of their good scientific work.

The conditions in order to benefit from such a grant are:

- You must be an AOTA member and up to the age of 40 (40-year-old is acceptable) on September 16th, 2010.
- You must be the first author of an accepted abstract at the ITC2010

To apply please write to the AOTA Secretary/Treasurer, Yoshiharu Murata ymurata@riem.nagoya-u.ac.jp, stating name, complete address of your institute, date of birth and the acceptance letter of your abstract.

Dead line of the application: July 31, 2010
