

for Update 2018 delegates

The code (for conference delegates only) is JES 2018 (from Nov. 1, 2018 to Jan. 31, 2019). Please indicate JES 2018 in your cover letter.

October 2018

**Endocrine Journal joins in alliance with
Endocrinology Diabetes & Metabolism Case Reports**

Tomoki Okazaki, M.D., Ph.D.
Endocrine Journal Editor-in-Chief

The Japan Endocrine Society will benefit from [Endocrinology, Diabetes & Metabolism Case Reports](#) (EDMCR) published by [Bioscientifica](#), UK.

Endocrinology,
Diabetes & Metabolism
CASE REPORTS

for societies

Endocrinology, Diabetes & Metabolism Case Reports is a unique, open access resource that publishes and links together case reports, enabling practitioners to communicate findings, share knowledge and convey medical experiences efficiently and effectively; furthering both medical education and clinical practice. The search and browse functionality enables fluid navigation between case reports, facilitating discovery, connections and comparisons; making it the go-to resource across all the many disciplines intersecting with endocrinology, diabetes and metabolism.

www.edmcasereports.com

for membership

JES members benefit from JES's collaboration with other leading societies worldwide and Bioscientifica:

Members of JES are eligible for a special discounted publishing fee of just GBP 357 (in 2018) when publishing case reports in the open access publication; [Endocrinology, Diabetes & Metabolism Case Reports](#) (submit online via www.edmcasereports.com).
