

Endocrine Journal joins in alliance with Endocrinology Diabetes & Metabolism Case Reports

Tomoki Okazaki, M.D., Ph.D.
Endocrine Journal Editor-in-Chief

The Japan Endocrine Society will benefit from [Endocrinology, Diabetes & Metabolism Case Reports](#) (EDMCR) published by [Bioscientifica](#), UK.

Endocrinology,
Diabetes & Metabolism
CASE REPORTS

for societies

Endocrinology, Diabetes & Metabolism Case Reports is a unique, open access resource that publishes and links together case reports, enabling practitioners to communicate findings, share knowledge and convey medical experiences efficiently and effectively; furthering both medical education and clinical practice. The search and browse functionality enables fluid navigation between case reports, facilitating discovery, connections and comparisons; making it the go-to resource across all the many disciplines intersecting with endocrinology, diabetes and metabolism.
