

Announcing a Call for Early Career Investigator- Authored Thematic Reviews in JMCC!

*An exclusive opportunity for the ECI's of ISHR
in collaboration with the
Journal of Molecular and Cellular Cardiology*

This is your chance as an ECI to :

- ✓ To build your own network through the ECI platform
- ✓ To collaborate with ECI's outside your institution
- ✓ To co-author a peer-reviewed publication in a special issue of JMCC

**Deadline for submitting your manuscript:
November 30th 2018**

Eligibility criteria :

- ✓ ECI status- within 10 years of completion of your terminal degree
- ✓ All contributing authors on an article must be from different institutions
- ✓ Valid membership of ISHR
