

**The Japan Society
for Clinical Anesthesia**

Apr 22, 2022

Professor Doctor Sergii Dubrov
President, Ukrainian Society of Anaesthesiologists
Kyiv, Ukraine

Dear Prof. Dr. Dubrov:

On behalf of the Japan Society for Clinical Anesthesia (JSCA), we, anesthesiologists of Japan, express our support and solidarity with the Ukrainian Society of Anesthesiologists and the people of Ukraine. We are very heartbroken that many people in your country have lost their lives and are hurt in a difficult situation your country is facing.

As JSCA's 2022 President, I, Teiji Sawa, will hold an annual academic conference of JSCA in Kyoto City, Japan, from November 11th to 12th, 2022. Kyoto City, the ancient capital of Japan, has been a sister city of your country's Kyiv since 1971. In holding the JSCA annual conference in Kyoto, as the consensus of the JSCA members, with JSCA's secretary-general, Hideki Nakatsuka (Professor of Anesthesiology, Kawasaki Medical School), we would like to provide humanitarian support/assistance to your organization. Specifically, on November 12, 2022, we will plan to have "Charity Event: Ukraine Evening" to call for the support of JSCA's members to your organization.

We hope that peace will come to your country as soon as possible.

Sincerely yours,

Teiji Sawa, MD, PhD
President, Japan Society for Clinical Anesthesia (JSCA),
The International Communication Committee of JSCA
(Vice President & Professor of Anesthesiology, Kyoto Prefectural University of Medicine, E-mail: anesth@koto.kpu-m.ac.jp)

Hideki Nakatsuka, MD, PhD
Secretary-General, Japan Society for Clinical Anesthesia
(Professor of Anesthesiology, Kawasaki Medical School, E-mail: hideki@med.kawasaki-m.ac.jp)
