

CRYOBIOLOGY AND CRYOTECHNOLOGY

Contents of Vol. 43 (No.1), 1997

Seminar "Vitrification"

- 1 . Glassy Aqueous Solutions
.....Hitoshi KANNO··· 1 (1)
- 2 . Cryopreservation by Vitrification-Responses of Biological Materials during Process of Vitrification
..... Seizo FUJIKAWA···10 (10)
- 3 . Difficulty of Vitrification of Human Organs, Blood Cells, and Tissue Grafts
.....Sajio SUMIDA···17 (17)
- 4 . Cryopreservation of *in Vitro*-grown Plant Meristems by Vitrification
.....Toshikazu MATSUMOTO···26 (26)
- 5 . The Effect of Addition of Various Monosaccharides to Vitrification Solution on the Survival of Bovine Blastocysts Produced *in Vitro*·····Norio SAITO and Kei IMAI···34 (34)
- 6 . Glass Transition and Food Science ·····Toru SUZUKI and Rikuo TAKAI···40 (40)

General Discussions
