

**XVith World Congress on Psychiatric Genetics**  
at Osaka International Convention Center

Day 1: Saturday, October 11th, 2008

	5F			10F				12F		
	Foyer	Hall A	Hall B	Room1001-1002	Room1003	Room1004-1007	Room 1010	Conference Hall	Foyer	
8:00										8:00
8:30										8:30
9:00										9:00
9:30										9:30
10:00										10:00
10:30										10:30
11:00	<b>Registration</b> 11:00-18:30									11:00
11:30										11:30
12:00										12:00
12:30										12:30
13:00										13:00
13:30										13:30
14:00										14:00
14:30										14:30
15:00										15:00
15:30										15:30
16:00										16:00
16:30										16:30
17:00										17:00
17:30										17:30
18:00										18:00
18:30										18:30
19:00										19:00
19:30									19:30	
20:00									20:00	
20:30									20:30	
21:00									21:00	

**Program  
Committee**  
  
**WCPG2009  
Meeting**  
  
16:00-18:00

**Welcome  
Reception  
(Opening  
Ceremony)**  
18:30-20:30

**XVith World Congress on Psychiatric Genetics**  
at Osaka International Convention Center

Day 4: Tuesday, October 14th, 2008

	5F			10F				12F	RRH		
	Foyer	Hall A	Hall B	Room1001-1002	Room1003	Room1004-1007	Room 1010	Conference Hall	Rihga Royal		
8:00	Registration 8:00-18:00									8:00	
8:30		Dr. Richard Todd Memorial (8:30-9:00)									8:30
9:00											9:00
9:30			Plenary Session PL-3 (9:00-10:00) <i>New Methods for Analysis of Whole Genome Association Data</i>								9:30
10:00											10:00
10:30			Symposium S-18(10:10-12:10) <i>genome wide association in schizophrenia</i>	Symposium S-19(10:10-11:55) <i>Genetics and clinical aspects of Wilson Disease</i>	Oral Session O-6(10:10-12:10) <i>Pharmacogenetics</i>				Symposium S-20(10:10-12:10) <i>The Consortium on Lithium Genetics (ConLIGen)</i>		10:30
11:00											11:00
11:30											11:30
12:00											12:00
12:30									Luncheon Seminar 2 (12:20-13:15)		12:30
13:00											13:00
13:30											13:30
14:00			Symposium S-21(13:30-15:00) <i>Genome-wide studies of bipolar disorder and mood stabilizaion</i>		Oral Session O-7(13:30-15:45) <i>Endophenotype</i>				Oral Session O-8(13:30-15:30) <i>Genetics of Autism and ADHD</i>		14:00
14:30											14:30
15:00											15:00
15:30											15:30
16:00											16:00
16:30											16:30
17:00			Symposium S-22(16:45-18:45) <i>Genome-wide association studies of bipolar disorder</i>	Symposium S-23(16:45-18:45) <i>Molecular Psychiatric Genetic Studies in Homogeneous Ethnicities</i>	Young Science Track Oral Session 3 (16:45-17:45)				Symposium S-24(16:45-18:45) <i>Ethnic variations in pharmacogenetic findings</i>		17:00
17:30											17:30
18:00											18:00
18:30										18:30	
19:00										19:00	
19:30										19:30	
20:00										20:00	
20:30										20:30	
21:00								ISPG Meeting 19:15-22:00		21:00
