

## JSGCT Travel Grant 2026

### Purpose:

JSGCT will award "JSGCT Travel Grant 2026" to young researchers (45 years old or younger) who will make excellent presentations at the JSGCT Annual Meeting, in hopes of furthering the development of their research.

### <Awards>

- At the general assembly of the JSGCT Annual Meeting, the board chairman will commend the winners and give them supplementary prizes (subsidies).
- Research grant amount: Up to 200,000 yen for up to 2 people from outside Japan, Up to 30,000 yen for up to 10 people in Japan.

### <Recruitment/selection method>

#### 1. Qualification requirements

- Full member of JSGCT (including pending registration) at the time of the application deadline.
- If the applicant does not make a presentation at the venue, the funds must be returned.
- A researcher who belongs to a public research institution and is engaged in research activities (whether full-time or part-time).
- Nationality does not matter.
- Those who are 45 years old or younger at the time of application, including graduate students.
- Main speaker at JSGCT2026.

#### Supplementary note:

- 1) Applicants will accept the funds, and in principle, they will be used for travel-related expenses.
- 2) The Travel Grant is not awarded when an applicant has received the Outstanding Research Award, Grand Prize.
- 3) If an overseas applicant receives the Outstanding Research Award, the Travel Grant will be awarded in the amount of JPY 100,000.
- 4) Travel receipts more than grant amounts should be submitted.

#### 2. Necessary documents :

- name, date of birth and age, affiliation, position
- Membership number (in the case of under application, indicate the date of application)
- address of institution and e-mail address
- brief CV (academic background and Research Experience)
- Title of the presentation at JSGCT 2026
- application amount and details

#### 3. Documents should be sent to JSGCT office by e-mail.
