

CURRICULUM VITAE

Full name Satoru Miyawaki
Date of Birth 10th August 1977
Current Post Assistant professor (Lecturer), Department of Neurosurgery, Faculty of Medicine, The University of Tokyo,

Education, Degrees, occupations:

1997-2003 *Medical Student*, The University of Tokyo, School of Medicine
2003.5 MD

2003-2010 *Resident*, Department of Neurosurgery, The University of Tokyo
2009.8 Japanese Neurosurgical Board

2010-2014.3 *PhD Student*, the University of Tokyo, Graduate School of Medicine
2014.3 PhD Medical science

2014.4-2018.4 *Clinical Assistant Professor / Research Associate*, Department of Neurosurgery, The University of Tokyo

2018.5-2018.10 *Visiting Doctor / Visiting Scientist* Department of Neurology & Neurosurgery, Montreal Neurological Institute and Hospital, McGill University Health Centre

2018.11-2019.4 *Clinical Assistant Professor / Research Associate*, Department of Neurosurgery, The University of Tokyo

2019.5- Assistant professor (*Lecturer*), Department of Neurosurgery, The University of Tokyo

Speciality (clinical) Vascular neurosurgery, Benign brain tumor neurosurgery, Skull base neurosurgery

Speciality (research) Genetic analysis of cerebrovascular diseases (moyamoya disease, intracranial artery stenosis, cerebral cavernous malformation)
Genetic analysis of benign brain tumors (neurofibromatosis type, meningioma, schwannoma)
Clinical genetics

Speciality certification Japanese Neurosurgical Board
Japanese Board of Medical Genetics
Board-certified, The Japan Stroke Society
Board-certificated, The Japanese Society on Surgery for Cerebral Stroke

Honors and Awards 2013 Award of the Japan Society of Molecular Neurosurgery
2013 Award of Department of Neurosurgery, The University of Tokyo
2014 Award of the Medical Association of The University of Tokyo
2015 Young Investigator Award, The Japan Stroke Society

Membership

The Japan Neurosurgical society

The Japanese Congress of Neurological Surgeons

The Japan Stroke Society

The Japanese Society of Surgery for Cerebral Stroke

The Japanese Society for Neuroendovascular Therapy

The Japanese Congress for Brain tumor surgery

The Japanese Society for Skull Base Surgery

The Japan Society of Molecular Neurosurgery

The Japanese Society of Cerebral Blood Flow and Metabolism; Councilor

The Japan Society of Human Genetics
